Bar Service Guidelines

For bar service, we can serve a minimum of 100 people, up to a maximum of 1,500.

Service with disposable ware.

The Waco Convention Center is the exclusive provider of beer, wine, and alcohol services. The entire facility is a TABC-designated serving area. Drinks may not be taken outside the facility. Bar service generally requires 1 licensed peace officer per 100 guests. Check with your catering manager.

Any event with alcohol and/or a dance must have security provided by off-duty police or peace officers in uniform who are not attending the event, and who carry a TCOLE license AND are commissioned by the City, County or State. The client is responsible for arranging and paying for security directly with the officer(s). We will need their name(s) seven days prior to the event.

Package bars are for those who wish to host a bar for their event; the host pays for the drinks rather than the attendees.
