DRIVING TO WACO

FLYING TO WACO

Waco Regional Airport
(254) 750-8656
7909 Karl May Drive
Waco, TX 76708

Waco Regional Airport (ACT) offers four daily flights by American Airlines flying out of Dallas/Fort Worth International Airport. Parking is free. Uber or Lyft can provide the short, 7-1/2 mile ride to downtown Waco.

WACO is a medium-sized, walkable city located on I-35 in the Heart of Texas, 100 miles from both the Dallas/Fort Worth metroplex and the Austin area. With a population of 132,000 in the city and 232,000 in the county, this proud Texas town brims with arts and culture, yet the people are kind and warm.

Waco has many claims to fame, including being the home of Baylor University, the oldest continually operating university in Texas. Dr Pepper was invented here in 1885 and was originally called a “Waco.” Other unique features include the Texas Ranger Museum, Mayborn Museum, an outstanding zoo, and the Waco Mammoth National Monument. You can even “hang ten” at Waco Surf.
